

May 29, 2007

The Honorable Michael Mauro  
Secretary of State  
State Capitol Building  
L O C A L

Dear Mr. Secretary:

I hereby transmit House File 752, an Act making transportation and other infrastructure-related appropriations to the Department of Transportation. House File 752 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve the item designated as Section 3 in its entirety. This provision requires the director of a department or state agency included in House File 752 to examine employee telecommuting options, develop a telecommuter employment policy, and implement a plan designed to increase the number of telecommuting employees. Many departments currently maintain employee telecommuting policies. These policies and procedures have been in place for several years and are well established. The designated language in Section 3 directing a department or state agency to conduct an assessment of its telecommuting policy is duplicative and unnecessary and introduces a legislatively mandated management process into what is appropriately an executive branch decision. I will direct the Department of Administrative Services and the Department of Management to review the current state government telecommuting policy and make recommendations for any improvements as part of our overall executive branch strategic planning process.

For the reasons above, I respectfully disapprove of the designated item in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in House File 752 are hereby approved this date.

Sincerely,

Chester J. Culver  
Governor
